Easy-peasy craft kits

Charma Chameleon

If your kids adore jewellery, then why not get them to make their own? Pacific Jewels, a London-based craft company has some lovely jewellery-making kits on offer and also provide unique party kits for special occasions. Log on to www.pacificjewels.co.uk for more info.

Big Experiences

www.the-little-experience.com guarantee that even the grumpiest, fun-resistant father will go all gushy and wobbly-kneed the moment he is presented with his own personalised gift.

So get the children to lovingly stick, fix, fasten, mould, paint or plant him a beautiful hand-crafted work of art this Father's Day.

Animal Magic

Get those fingers occupied with some sewing craft ideas from www.sparrowkids.co.uk.

The company specialise in high quality felt craft kits and the little ones are sure to have a marvellous time making themselves bags, hats and pencil cases. Who knows, you may have a budding Matthew Williamson or Anya Hindmarch on your hands.
